#### **\*CD VOL. 2 "The 7 star planet for the balance"**

**The sounds and valuable information has been given for the Chantseminar by 2012. All participants have visited this planet in order to channel the specific service and support for the planet earth to integrate the vibrations and to learn healing.**

**The sounds are the vibration of 7 new planets in our galaxy have come to bring balance and vibration information for the transition into the golden age.**

**The highly evolved beings that inhabit this planet are in the service of Orion and Urania.**

The sounds are to be integrated for 7 weeks 1x a sound per week.

For the treatment with clients it is recommended to make a connection to Orion and the soul of the client and to channel, which sound it needs. Or choose intuitively one or two sounds. Also used for stabilization of a treatment process. The sounds are for the sole purposes of self-elevation, personal edification and self-exploration.
